

Life Skills and Employability Support for Lone Parents Project

Enfield College have formed a partnership with 21 local training providers and local authorities across Enfield, Waltham Forest and Haringey to secure employment for **Lone Parents**.

The partners include all 3 borough councils, the NHS, Enfield Enterprise Agency, training providers, employment agencies and various specialist organisations.

The providers can deliver upwards of 30 hours training to the beneficiaries to ensure a smooth transition into employment. All the lone parents will be offered an Advice & Guidance session to determine the most effective training:

- Employability Skills
 - IT Training
 - English or Maths

To enable them to attend the training, we will provide £205 for Childcare and travel costs.

When the lone parent obtains a permanent job, we will award up to £150 for a season ticket, clothing or footwear.

Finally, once the beneficiary has remained in their new job for 13 weeks, they will receive a £50 voucher.

For more details, contact Andrew Ramsay at Enfield College 020 8443 3434, extension 6570 or andrewramsay@enfield.ac.uk
